

Let's Optimize Inventory to Fulfill More Online and In-store Orders

Retail transformation isn't new. But, it is happening faster and in more ways. You're still guided by one thing: the customer is always right. And today's customer wants to be right, right away. There's a lot to do, but you've got this. It's all very solvable with Zebra's integrated inventory solutions including ultra-rugged scanners, tablets, mobile computers, printers and supplies. They work best together, helping you fulfill today's relentless demand for online and in-store orders.

Make it Simple. One Brand, One Vendor, One End-to-End Portfolio

Your go-to source for all your retail technology, service and support needs

Let's do retail that's right for the times. Get inventories fully visible and under control, flowing lean and uninterrupted to your shelves. Stock the right product, at the right time, at the right price—every time. It's all doable with Zebra inventory solutions, including mobile computers, scanners, printers, tablets, Zebra Certified Supplies and more. Protected by Zebra OneCare™, you're covered with service from the source. Be free to do your job with Zebra at your side.

Create the solution that works with you:

Eliminate manual processes		Make return processes seamless
Meet tight delivery deadlines		Restock seasonal and surplus inventory
Accurately account for each asset		Identify goods for refurbishment or disposal
Document the chain of custody		Protected by Zebra OneCare™
Track and trace goods for customers		

Let's gain inventory visibility and drive results.
